2006 Financial Overview

INCOME

The total income WCSV received in 2006 for its operations was about the same as in 2005 and included a major donation from an estate. Operating expenses rose about 4%, with all of the increase occurring in program expenses.

City Funding	\$114,549	37%
Donations and Membership	90,539	29%
Appeals	46,257	15%
Events	10,024	3%
Grants and Estates	34,017	11%
Miscellaneous Income	10,577	4%
Investment Income	3,479	1%
TOTAL INCOME	\$309,442	100%

EXPENSES

In the midst of economic challenges WCSV continued its services by expense analysis and reduction, investigating pro-bono assistance, and seeking avenues of potential shared resources.

Programs-Wildlife Animal Care	\$97,511	35%
Programs-Education	47,733	17%
Total Program Expenses	145,244	52%
Support Services	75,099	26%
Fundraising	63,181	22%
TOTAL EXPENSES	\$283,524	100%
NET INCOME	\$25,918	

RESTRICTED FUNDS

A new Restricted Fund, the Bill Paker Fund, was established in 2006 in honor on one of WCSV's dedicated, long-time volunteers, and most of the funds received in 2006 were for that fund. The majority of the 2006 restricted fund expenditures were for the construction of the predatory mammal enclosure.

Balance, beginning of year	\$44,992
Restricted funds received	4,100
Restricted fund expenditures	(29,786)
Balance, end of year	\$19,306

Phone Support

WCSV receives thousands of phone calls each year concerning wildlife issues. Staff is available seven days a week to help with inquiries ranging from nuisance complaints and potential rescues, to species specific questions. After hours, calls are monitored and supported by a volunteer hotline.

Many Thanks!

We cannot continue our efforts without the help of the public, the cities we serve and especially our volunteers, who provide care and medical attention to the thousands of sick, injured and orphaned animals each year.
