One Way to Leave a Little Behind

Dan Alexander

None of us knows what the future holds. It's hard to think about. But we do know that our precious wildlife needs to be protected or future generations won't have it to appreciate. Won't you please consider us in your will or trust? Your contribution can be a way to continue giving if you include WCSV in your will or estate plan, and your generosity will definitely make a difference for the local animals!
