

Household Supply List

The Wildlife Center of Silicon Valley is in need of plenty of supplies that can be found right at home! Anything that you can donate helps, especially during the busy nesting season. Have a look in your kitchen, laundry room, bathroom, office, garden or even through your pet supplies. If you swing by the grocery or hardware store for household items, consider picking up a few extra things to help out local wildlife. It's just one simple way to make a big difference!

kitchen

- Paper towels
- Dish soap
- Dishwasher detergent gel
- Paper bags (small & large)
- Unflavored applesauce
- Ziploc bags (quart & gallon size)
- Tupperware containers (20+ cup capacity)
